Visit to CONDE MCGINLEY by Washington, D. C.,

Racists

File where original is located if not attached

Remarks:

"July 26, 1959

"This morning there was a hand out of literature in Alexandria, Va. by [redacted] and his brother-in-law, Jake, last name unknown.

"At 6:45, [redacted] and [redacted] of Alexandria, picked up the [redacted] and drove to Floyd Fleming's house, where all left for Union, New Jersey, to see Conde McGinley. [redacted] gave [redacted] a copy of a letter distributed by the group earlier, unsigned. This is copy A., coming from the Petworth Citizen's Association of Washington, D. C. [redacted] said that the people putting it out were so yellow that they wouldn't even sign it, and didn't say how it came into his hands.

"The group arrived at McGinley's around 12:30 P. M. Already present were Lincoln Rockwell and [redacted]. These two had gone to New York on Friday, driving [redacted]'s car, and looked up the "New York boys." When Rockwell said that he had reorganized them, Fleming told him that he was lying, and Rockwell didn't answer this crack. *Indley*

"Also present were [redacted] his "fiance" [redacted], who goes to the Univ. of Delaware, McGinley, and [redacted] who is one of the chief assistant's to McGinley. McGinley showed everyone around the place first. He has an impressive layout, and a huge press that he says is 80 years old. McGinley said that he has 18 part-time workers, and that a woman named [redacted] was his next in command. [redacted] came in later with her mother, and the two women live together in Camden, N. J. McGinley said that he pays [redacted] fifty a week, and she could make three times that in private industry. *Indley*

b6  
b7C

"In McGinley's office there are two shot guns and a pistol; looks like a .38. He has several sets of files, and in the basement has one set of plates that he said contained the entire underground of Germany. He said that he is in constant touch with the Hungarian and Polish underground leaders, and included with this report is a copy of Hungarian-Week, numbered E, which was in McGinley's office.

"After the tour, McGinley gave the group a little lecture and talk. He is, he said, 64 years old, flat broke, and completely informed on the "Devils" that are trying to ruin America. He is a devout Catholic, has cruxifixes in all of his bed rooms, and says that 600 Catholic priests get Common-Sense. He says that he fights the enemy by prayer, and intelligence. He went on to say that some people like Rockwell burn their bridges back of them, and have to keep on, but that he doesn't attempt to fight the Jews openly, only in print.

"McGinley then gave the group several rules to live by. He said that first, the group should educate themselves, and keep educated. Secondly, he said that the group should then educate others. Third, he said that the end of the education phase would soon be over, maybe within two years, and the group should then be ready for action to prevent the Jews from destroying it. He did not say what form this action should take.

"Rockwell put in a few remarks on how everyone present loved McGinley, and then started talking to anyone that would listen in private conversation.

"The group, and especially Fleming and [redacted] got several items which will be distributed in the Arlington, Alexandria, Va. area within the next few weeks.

b6  
b7C

"Number B. The Coming Red Distatorship. Fleming got around 1,000 copies, and [redacted] the same. McGinley said that he has now printed over 1 million copies of this sheet.

"Number C. Poisoning these United States. This is a series of exerpts from the American Mercury. Fleming got a box containing from 2,000 to 4,000 copies of this.

"Number D. Outline of Post-War New World Map. This was printed by a Philadelphia Jew before WWII. McGinley said that it shows how the Reds and Jews will divide the World. He urged that it not be distributed at random, and said it should be saved for the mail. Rockwell offered to try and silk screen some in color. Approx. 100 copies and a covering letter were taken by Fleming.

b6  
b7C

"Number F. Reds Promote Racial War, Walter Goff. [redacted] said more stuff like this was needed, as it "agitated people". It shows various White women and Negro men thru out the book. Maybe 50 copies were taken.

"Number G Know Your Enemy by Robert H. Williams. Approx. fifty copies of this booklet were taken, and some have already been passed out several Sundays ago.

gnd  
[redacted] "About this time, several new people arrived. [redacted] (not sure of spelling) from Milltown, his son, and four or five men not introduced came in. Most of these people were in their 30's or 40's, and seemed to know their way around the place. McGinley later said that he was having a weekly meeting for friends. These people, one described as a deouty sheriff, talked about the "jews and the niggers."

WFO 157-1

"[ ] very carefully cultivated each new arrivals acquaintance and asked if they would give them their names and addressed for "information we will send you of our activities." [ ] asked almost everyone if they thought that "the time for violence is not here", as if he were trying to get someone to confess something.

b6  
b7C  
b7D

"McGinley served ice-cream, and the D. C. group left. Fleming indicated on the way back that he wanted a meeting to get Rockwell "straightened out." He said that [ ] was also getting tired of financing Rockwell and should be put in charge if Rockwell got out of hand.

b6  
b7C

"Fleming said that Mrs. [ ] is working on V St., N.E., near the Va. Paper Co."

The material furnished by the informant is located in WFO File 157-11A.

"In New Jersey the group met Rockwell and [ ] at McGinley's. Also there was [ ] of Philadelphia and a young girl, [ ] whom he introduced as his fiancée. McGinley introduced the group to a helper of his named [ ] and gave the group a tour of his facilities. He has a huge, 80 year old press and a very large mailing list. Upstairs are living quarters for himself and a Russian refugee who lives with him. [ ] stated that he lived across the street with his father and sister. Later McGinley's secretary came in and was introduced as [ ]. McGinley said he pays her \$50.00 a week. McGinley gave a short talk to the group, stating that he was a Catholic and believed prayer would help the cause. He said that the job of educating the people would probably be over in two years. He also stated that he was very short of funds and out of paper for the press.

"Rockwell, looking like a bum without a shave or hair cut, gave a laudatory account of his court fights and stated that the police and courts of Arlington County were on his side. He said he had organized his New York "boys" again.

"McGinley talked with [ ] asking about John Kasper and [ ] said they were very pleased with Kasper. They said that the south was now "plastered" with their papers and seemed to attribute this more to Kasper than to anyone else. It was gathered that Kasper was very much their favorite over Rockwell.

During the trip to and fro, Fleming had given the [ ] the letter which he thought said that Kasper was willing to work in the D. C. area with Rockwell. Starting the trip from FLOYD's, [redacted]  
[redacted]. The conversation was  
that of a group of agitators. Only it got around  
to possible incidents they could bring about in the  
Metropolitan area to obtain newspaper coverage for  
their party.

b7C

Present in the room at MC KINLEY's were  
members of the so called cadres from the state of  
Pa. and N.J.. We recieved a speech after being  
shown the place which I took as a stock lecture for  
all newcomers. I immediately felt under suspicion  
due to [redacted] being my constant companion.

A great deal of literature was placed in  
the cars for the men to distribute in their own  
localities.

On our [redacted] I was [redacted]  
with [redacted] and ROCKWELL. After we were on the  
[redacted]  
their conversation turned to the happenings of  
ROCKWELL's trip to N.Y.. ROCKWELL replied if I were  
an informer to take out my note book and take notes  
as they had nothing to hide. So I explained to  
him, as I knew he had been informed by [redacted] that  
I had spent a lot of time with [redacted] in conversation  
about his party, the need for it by the (so called)  
Jewish desire for world power, his patriotic  
desire to protect the gentiles and I would not  
have come had I not had a desire to be of some  
assistance after I was sure that he was sincere in  
this movement. After baiting me with the Jew  
being an unclean person who didn't wash under his  
arms and my replying that it went much deeper than  
that and giving him the junk [redacted] had bent my  
ear with he seemed to relax and except me.

b6  
b7C  
b7D

ROCKWELL read [redacted] a letter on national  
party stationery from England (I saw no envelope)  
which praised his movement, him and his openness  
in Arlington (I'm not sure it named a place). It  
agreed with his free enterprise plan and some other  
things but disagreed with some other things. Said

b6  
b7C

in England they didn't have the facilities for printing that ROCKWELL had in America. It said the only thing the Jew understood was the gentile fist. I surmised there would be other communications.

"ROCKWELL confided to [ ] what I had learned from [ ] that they had recieved communications from Australia asking to be associated by letter with his party.

b6  
b7C

"There was talk of a Negro person in New York inciting the Negro population, ROCKWELL was pleased with this news he had obtained in N.Y. and figured to use it to his advantage. He spoke of FREEMAN in N.Y. being frantic when he suggested that they try to expose who ever did the Georgia synagogue bombing. Due to FREEDMAN's action it seems he changed the leader ship of the party there. He spoke of there being 20 members in N.Y. but could only raise \$40.00.

*Handwritten:* 2nd copy

"ROCKWELL and [ ] spoke of a party with no violence but wanted and started out to twice to run Negro cars off the road that came to close to them in traffic at separate times.

b6  
b7C

"There was not in my presence any mention of the violence in Georgia or else where.

"ROCKWELL in our conversations stated that he was looking for an organizer and financial support. Implied that I could be of best use behind him and not out in the open as his financial supporter. Giving aid myself and soliciting aid from my friends.

"He told [ ] his deal down south, I assumed it to be the Dominion of the Republic, had fallen thru. They figured it was due to the sugar there being owned and produced by members of the Jewish religion.

b6  
b7C

"It is my personal belief that I am completely excepted by these people and with some financial assistance to them from me that I will be excepted into what ever further secrets they may have concerning violence."

By letter dated July 21, 1959, Captain [ ] [ ] United States Navy, Intelligence Officer, Potomac River Naval Command, United States Navy, Washington, D. C., made available information regarding [ ] Pvt. United States Marine Corps, Serial Number [ ].

b6  
b7C

Enclosed were copies of the report of Special Agent [ ] from the District Intelligence Office in Honolulu, Hawaii. These reports reflect in part as follows:

b6  
b7C

"Major [ ] USMC, [ ] Executive Officer, Marine Barracks, Pearl Harbor, T.H., produced Subject's service record which indicated he had reported for duty at Fort Meade, Maryland on 13 August 1958, on 5 September 1958 had been transferred to the 2nd Marine Division, Camp Lejeune, North Carolina, and was transferred on 2 October 1958 to Marine Barracks, Pearl Harbor.

b6  
b7C

"On 15 June 1959, Subj was interviewed at DIO-14ND by the reporting agent. Before any questions were asked, he was advised of his rights under Article 31, UCMJ, informed that he was to be questioned concerning his alleged participation in an anti-Jewish demonstration in Washington, D. C., in July 1958, and further informed that he need answer no questions concerning this matter that would tend to incriminate him, and was warned that any answers or statements that he did make could be used as evidence against him in a trial by court-martial. [ ] signified that he completely understood his rights under Article 31, UCMJ.

b6  
b7C

"During this interview, [ ] steadfastly denied having participated in an anti-Jewish demonstration in Washington, D. C., but did admit that he had gone to Washington, D. C., "during the latter part of July 1958", with "a couple of friends". He stated that the purpose of this visit was to go "sight-seeing", while he was on leave from the Marine Corps. He identified his friends as [ ] who were from his home neighborhood on the East side of New York City. He stated that they traveled by bus and stayed at a motor court, the name of which he could not remember, but from which "you could easily see the Washington Monument". He reported that they "looked around Washington", but did not see any anti-Jewish demonstrations or picketing. They planned to visit the Arlington Memorial Cemetery, but did not have time.

b6  
b7C

"When [ ] was questioned concerning his background, he stated that he was born in New York City and had lived there all his life. He had gone to school in New York City, but did not graduate from high school. He said that his father had died in 1947, that he had an older married sister, and that he had had an older brother who was "stabbed" in 1957, by person or persons unknown. While still in high school, he stated that he joined the "Nationalist Youth League", an organization whose main objective was "to combat communism in this country",

b6  
b7C

"to give the youth something to fight for "by combating juvenile delinquency". This organization was very anti-Jewish, strongly favored Hitler's "racial policies", and also advocated segregation. It was headed by a man named West HOOKER who lived at Larchmont, New York, but who later moved to Connecticut. The organization had a club house in a "store" where they tried to sell "leaflets from the south". While a member of the Nationalist Youth League, [ ] stated that he did on one occasion "picket Carnegie Hall", to "support a meeting held by Senator McCarthy".

b6  
b7C

"When asked why he joined the Nationalist Youth League, [ ] said that his mother had a friend named RICO who was killed in Korea. He said that he liked RICO very much and that when his death "made his mother cry", he began to hate the "dirty Commies", and joined the organization as a means to "fight" them. He said that he studied maps and read books on Russia trying to "figure out ways to get in and bomb them". The Nationalist Youth League was anti-Semitic because "most of the Commies were Jews". He said he finally left the League because "West HOOKER broke away from it", and also because his mother and the "Board of Education" were "against it". He stated that when he joined the Marine Corps, he was no longer a member of the League. He said the "anti-Defamation League" "knew all about" the Nationalist Youth League, West HOOKER, and others associated with it, that they called them "troublemakers".

"On 25 June 1959, [ ] was again interviewed at DIO-14ND by the reporting agent. Before any questions were asked, he was carefully advised of his rights under Article 31, UCMJ. He stated he understood his rights, that he had "thought over" the information he had given in the previous interview, and admitted that he had in fact participated in the anti-Jewish demonstration in Washington, D. C., in July, 1958. He related that he had gone home to New York City on leave from the Marine Corps and learned from his friends of the demonstration. He stated that because he "sympathized with the ideals" of the people who were going to Washington, D. C., to participate in the demonstration, that he wanted to accompany them. He said that he did not know who was the leader of the group from New York, but that about 15 persons traveled to Washington in a chartered bus, arriving in the late afternoon or evening of 25 July 1958. They proceeded to a motor court (still could not remember the name), where Mr. ROCKWELL had made arrangements for their stay. [ ] stated that he knew ROCKWELL as "Commander ROCKWELL" and believed that he was a former Naval Officer. ROCKWELL lived in Arlington, Virginia, and was accompanied by a man named [ ] who he believed to be a

b6  
b7C

"wealthy man from Baltimore". No activity was schedule for Friday the day of their arrival.

"On Saturday, 26 July 1958, after eating, the group went to ROCKWELL's home in Arlington, Virginia, and spent the day and night there, many sleeping on the lawn in the back of the house. They made plans, talked and discussed "old times" - things the Youth League had done before its dissolution.

On Sunday, 27 July 1958, the New York group tentatively decided not to participate in the picketing of the White House, but after a "pep talk" by ROCKWELL, they decided to go ahead. [ ] stated that ROCKWELL "forbid" him to participate either in handing out leaflets or in joining the picket line, because he was in the Marine Corps. However, when the group left in taxis for the White House, [ ] stated that he went along, but got out before they arrived and watched the demonstration from the park across the street from the White House. He stated that the picketing went smoothly and lasted for a "few hours". Afterwards, he joined the group and they proceeded back to the motel by taxi. Later they returned to New York via the chartered bus, arriving at 8:00 or 9:00 P. M. [ ] stated the reason he wanted to participate in the demonstration was because "he sympathized in the group's ideals".

[ ] stated that the following people in the New York group were the only ones that he could recall:

- [ ] - considered himself head of the "United Nordic Confederation". He had no connection with the Nationalist Youth League, and he was considered a "psychotic" - once tried to hold up a bank.
- [ ] - called the "Fuhrer of Yorkville". He had belonged to the Nationalist Youth League. [ ] considered him a "juvenile delinquent of low mentality". He was strongly anti-Communist and anti-Jewish, but considered a joke. His "German Army" consisted of a group of juveniles who put on swastika arm bands and marched about the streets.

" [ ] - a member of the Nationalist Youth Party. [ ] said that he was a friend of his who "had the same ideals".

" [ ] - brother of [ ] [ ] was tricked into making the trip by [ ]. He was told they were going to Washington to attend a party. [ ] stated that [ ] was not sympathetic to the group, did not participate in the demonstration, and had nothing to do with it.

b6  
b7C

" Charles SMITH - an elderly man from New York who published the "Truth Seeker", an atheist publication. He used to work for Conde MCGINLEY (not on the trip) of Union, New Jersey, who publishes a newspaper which he claims is the "oldest anti Semitic newspaper on the East Coast."

" [ ] stated that he did not know Charles DORMER, [ ], or [ ]. There were also others in the New York group, but [ ] stated he could not recall their names. He knew them only as "sympathizers".

b6  
b7C

" When asked what his present beliefs were, [ ] stated that he was a strong "nationalist" and "pro-American". He is a "segregationist" but is not "anti-Negro", and believes the Negro should be "colonized" back to Africa "where he belongs". He said that he is "anti-Jewish" to the extent that he believes Jews are anti-Christian and "started Communism". He also believes in "white superiority" and that "the Federal Government should control our monetary policy - not an independent outfit called the Federal Reserve". Lastly, he stated that he is "strongly anti-Communist" and that he is "willing to sacrifice everything for his ideals".

b6  
b7C

" At the conclusion of the interview on 25 June 1959, Subj. executed a sworn holographic statement setting forth the details

of his participation in the anti-Jewish demonstration in Washington, D. C., on 27 July, 1958, his motive for participating and his present "ideals".

DIO-14ND  
June 25, 1959

" I [ ] P.F.C. USMC [ ] having been informed by Mr. [ ] who has identified himself to me as a special agent of the office of Naval Intelligence, that I am to be questioned regarding my participation in an anti Jewish demonstration in Washington, D. C. in July 1958. I have been further advised by Mr. [ ] that I do not have to make any statement concerning this matter and that any statement made by me, may be used as evidence against me in a trial by court martial. b6 b7C

" I make this statement with full knowledge of my right under artical 31 Uniformed Code of Military Justice, and it is made without any threats having been made against me or any promises having been extended to me. b6 b7C

" I was born on [ ] in New York City. I enlisted in the U. S. Marine Corp. on March 11, 1958. I reported for duty at Marine Barracks, Pearl Harbor on October 22, 1958.

" I participated in the picketting of the White House in Washington, D. C., about the 27th July, 1958.

" I did not go on the actual picket line, nor did I hand out material in Washington, D. C., or Arlington, Virginia. Commander Rockwell forbid me to take part in anything, except in sympathy and dedication to my cause.

" I went to Washington, D. C. with about fifteen other people, counting myself, from New York City. (chartered bus).

" Some of the people were members of a former groupe called the Nationalist Youth League. Some people were sympathizers, and some people were unknown to me. I don't know who was head of the New York group.

" We arrived in Washington on Friday evening or night, went to motor court (don't remember name of motor court). Friday night nothing scheduled. Saturday, after breakfast, Commander Rockwell arrived at Motor Court with a stout man, believed to be [ ]. We talked then went to Cmdr. Rockwell's home in Arlington, Va. b6 b7C

"At Commander Rockwell's home we discussed "old times", and matters concerning the picketting. About noon broke up into groups and handed out material. I don't know who handed out material. I remained behind with Cmdr. Rockwell and his family. Latter we were to rejoin at Cmdr. Rockwell's home. Those who participated were [redacted], who considered himself head of a group called United Nordic Confederation, wich tried to rob a bank in New York City before he meet any of us. [redacted], who once headed a group of juvenile Delinquents called the German Army. [redacted] was tricked into coming along by his brother [redacted], who told him we were going to stay at the Statler Hilton Hotel in Washington then attend a party later plus go sight seeing. I do not know [redacted], Charles Dormer nor [redacted] from Queens Colledge.

b6  
b7C

"Charles Smith an elderly man came along. He has a publication called the truth seeker in New York. Sunday before the picket the New York groupe suddenly decided not to go through with the picketting. Comdr. Rockwell gave a pep talk & they went ahead and picketted.

"I was told to stay behind with [redacted] & Cmdr. Rockwell's wife & family. [redacted] was a new man. That was the first time I meet him. Since [redacted] got sick I decided to go with the group to D. C. [redacted] & I were told not to take part in anything. [redacted] & I stay across the street from the White House in a park during the pickett. After the pickett [redacted] & I rejoined the groupe in a taxi, headed for the motor court.

b6  
b7C

"We had a police escort to the motor court. The police remained at the motor court for our protection, until we decided to go back to New York, which was about 3:30 or 4 o'clock Sunday afternoon. I was told not to participate in anything because I was in the Marine Corp.

"There wasn't any violence at any time during our stay, as far as I know. The pickett lasted a few hours.

"During our trip back to New York City we stopped somewhere in Maryland or New Jersey for chow. After chow we proceeded to New York. We arrived in New York about 8 or 9 P.M. As soon as we landed in New York the group broke up. I went with [redacted] to a bar in our neighborhood for a few beers & to talk over our experience of the past few days.

b6  
b7C

"[ ] did not agree with our way of thinking at all. If he had known what was coming off he never would have come. [ ] isn't a member nor a sympathizer of my cause.

b6  
b7c

"My present ideals are as follows. I am an American who treasures the Stars and Stripes as my own flag. Dedicated to restore the American Republic, which Washington, Jefferson, Lincoln and Teddy Roosevelt and many other right wingers established for my heritage as an American.

"I believe in segregation the same as Jefferson & Monroe & Lincoln established. I believe in colonization of the Negro, back to Africa where he belongs. I believe the money presently spent on foreign aid should be spent on the colonization program. The money could be appropriated for education - training and colonization of the Negro. I am not anti Negro.

"I am anti Jewish to the extent that the Jews are anti - Christian. The Jews did start communism and they do controll communism in the United States & Europe. 90% of the communist caught today are Jewish with alias names.

"This to me is more than "just a coincidence." Marxian Doctrian is taken from the Jewish talmud. The talmud is where Marx got his political theories. The Jews are contrary to former American principals.

"I believe in white Superiority, just as Lincoln did. I believe the white race is superior because, the rest of the world looks toward our standings, our form of government, our principles. The world relies on the white race. No two people in the world are equal.

"I am extreanlyPro American - Nationalistic. I believe the American public should have a strong "National Spirit", but doesn't. I believe we should give the House of Representatives the right to vote for Senitors, not the public. I believe the gederal government should controll our monetary policy, not the independent outfit called the Federal Reserve ncr do I believe that Wall Street should have any hearsay about the governments financial program.

"I do believe the United States does need a good case of eugenics, for the preservation of our people.

"All these are a brief outline of my political ideals.

"I am not now, nor ever have been, nor ever will be anti American, nor a treacherous communist. I am the extreme oppisite of a communist.

I treasure the Stars and Stripes. I am an American now, and all ways will be. I am not now, nor do I have any intentions of agitating or causing discredit to any of my nations armed forces.

"My country is now and all ways will be the United States of America. This I sware in the name of Almighty God and the United States of America. I am willing to sacrifice everything for my ideals.

"I have read this statement which I have written in my own hand writting. I have had the opportunity to make any corrections necessary and I have initialed all errors. This statement concists of nine pages, and I have signed my name at the bottom of each page. It is true and correct to the best of my knowledge and it was made voluntarily without any threats made against me or any promises made to me. This statement is made with full knowledge of my rights under artical 31 of the Uniformed Code of Military Justice.

Subsequent to the submission of the signed statement, subject appeared at the District Intelligence Office on June 30, 1959, and related he had received a letter from LINCOLN ROCKWELL that he desired to make additions to his statement he had executed on June 25, 1959. He was allowed to continue but was advised of the contents of Article 31, United States Code of Military Justice and he then stated he wished to better clarify his statements regarding anti-Jewishness, subversion and better identify two people.

The statement made by [ ] and the letter written to him by ROCKWELL are set forth hereafter.

"I [ ] P.F.C. U.S.M.C. "I make this statement with full knowledge of my rights under artical 31 of the U.C.M.J., and it is made without any threats having been made against me or any promisses having been extended to me.

"Mr. Charles Dormer I know very well, he is a fine elderly man. He helped start the Nationalist Youth League. Mr. Dormer is only a sympathizor not a member of our organization, to my knowledge. Mr. Dormer didn't have anything to do with the picketting of the White House. Someone who knew him, used his name. I do not know if they obtained his permission. I don't know who used his name either.

"[ ] from Queens, New York, I know him by the name of [ ] of the New York State White Citizen Councile and that he told me that books to read concerning anthropology & evolution. I know him by recognition and phoneing him at his home in Queens. This is all the information I know of him. He did go to Washington D. C. with us.

b6  
b7C

"[ ] was a member of the Nationalist Youth League with me, we have been friends for about 5 or 6 years. [ ] was one of the people who came to Washington a day after we came down from New York by bus. He didn't have anything to do with the pickett either. [ ] is stationed at Camp Lejeune, North Carolina. His organization was or is "M" Co. 3rd Bn. 8th Marines.

b6  
b7C

"The last time I read a subversive list or book put out by the House of unAmerican Activities Committee we were not listed, to my present knowledge, we still aren't subversive. We are not subversive now, nor do I hope to be.

"We are not totally anto jewish. There are a few people of jewish origin who do not agree with what these traitors are doing to our country. These people like Mr. [ ] who risked his fortune and family trying to expose the treasonable acts of the Communists & the B'Nai B'rith. Mr. [ ] wrote books trying to bring forth traitors, so the average public would read his book and take hold and do something about it.

b6  
b7C

"Mr. Ben Freedman who lives at 960 Park Ave., New York City is another person who we respect and admire for his courage in doing the same thing Mr. [ ] did. Mr. Freedman was with Mr. Condy McGinly in Union New Jersey publishing a newspaper called Common Sense. Mr. Freedman has his own publication now. I do not know of its name, nor where it is printed. These are two people of Jewish origin among maney who believe as they do and resent being accused of being a "Jewish Communist or Zionist".

b6  
b7C

"We are not against a man because he is born of Jewish origin. We are against him only when he steps forward against Christianity, American principals and the White Race to join forces in the escape of America enimies (B'nai B'rith & Socialism-Communism).

"Dear

"Slow down, --take it easy! --Don't let them hustle you into a mess when you are not in one.

"You ask me what to do.

"The answer is extremely simple.

"Tell the TRUTH.

"Go back and straighten out all the things you told them, and remember, you have done NOTHING WRONG, so far as I know. It does not matter how UNPOPULAR your opinions might be, the Navy nor nobody else can punish you or hurt you for them.

"You will remember that when you came down here with the picket group, I was horrified that you were in the service when I found out, and would not allow you to participate, --or  either. But even so, I do not think you could be punished for picketing in a non-political group, which we were at that time.

b6  
b7C

"In any case, burn into your mind that you HAVE DONE NOTHING wrong or illegal or against the UCMJ.

"Stand on your rights, which are very substantial, as I found out trying to pin down open criminals when I commanded my squadron in Iceland.

"Above all, DO NOT LIE! No matter what happens,  
DO NOT LIE!

"So far, we have mastered the Jews and their tools at every turn because we have NOT done any sneaking, because we have been straight forward and direct. Once you start even "bending" the truth, they will soon have you looking like an arch-traitor and headed for the firing squad.

"Naval Intelligence, as well as the FBI, knows EVERYTHING we do or have done, --I have invited them all to come to our meetings, look into our files, or ask me any questions. I have cooperated with them and will continue to do so FULLY. The lower echelon people, in almost every case, know we are simply trying to expose the same truth they know themselves, and secretly sympathize with us. It is only the traitors to the Country at the TOP who drive the ordinary agents to work against us, if and when they do.

"[ ] was just up here a couple of weeks ago and took the Trooper's oath, filling out the required information form. With his express permission and request, we SENT THE ENTIRE FORM TO THE FBI. They know EVERYTHING, -and there is no reason that they shouldn't.

b6  
b7c

"Inso far as you trust me as a leader, Charlie, no matter what the immediate results, you MUST go back as SOON as you get this and request to revise your testimoney, especially if it was under oath. That is a RIGHT which you possess whenever questioned, if you do it voluntarily.

"Now, if there should appear to be any repurcussions, and they lodge any kind of formal charges against you, you MUST get some kind of HEARING, depending on the nature of the charges. I doubt there will be any, because you have done NOTHING WRONG, and they only expose the genuine treason when they try to pillory us for exposing the bastards.

"IF, ---it goes to a hearing or any kind of a Court, demand a GOOD counsel, and see that you GET it. If it is REALLY serious, you can ask for and obtain Commander Lincoln Rockwell, USNR, as your defense counsel, --and I will assure you they will fall back in disorder before the onslaught of facts and argument I will hit them with. I am doing it all alone here in my own case, and think the charges against me will be quietly dropped.

"But remember the two rules I told you:

RH 100-9667

- "1. TELL THE TRUTH!
- "2. REMEMBER YOU HAVE DONE NOTHING WRONG!

"Don't let them scare or hustle you! That is usually easy for experienced, grown men with young, inexperienced kids like you. But you are a Nazi and a MAN, and can give them an example of quiet, dignified composure they will never forget.

"If you get flustered during any questioning, simply STOP. Refuse to proceed until you have gathered your composure and wits. They cannot hit or hurt you and can't FORCE you to talk. When they know you know your rights and obligations, and intend to stick by them, they will desist from any bullying and tricks.

"Drop everything RIGHT NOW, as soon as you read this, go to your C.O or whoever, get permission to go back to NI, and get everything STRAIGHT.

"Stay with it, [ ] We are making American history!

Sieg Hail!

" [ ] ---I better remind you of some items in our program which render it absolutely LEGAL and PATRIOTIC, and, besides, they are right and TRUE:

b6  
b7C

- "1. We are NOT for dictatorship. We believe in the Constitutional American REPUBLIC, as set up by the Founding Fathers who kept SLAVES and believed in ELITE Government.
- "2. We are not out to destroy the U. S. Government, but to SAVE it from traitors. The Virginia Courts have already written in a brief here that our program calls only for changes in the government made legally and by constitutional elective processes.
- "3. We ~~are~~ not subversive.
- "4. We are not TOTALLY anti-Jewish. Benjamin Freedman, for instance is helping us, and he is a racial Jew. It is only TRAITORS to the U.S. and the White Race we are after, and the only reason we emphasize Jews is that most of the traitors are Jews, and most of the Jews are traitors, -but not ALL. World Union of Free Enterprise National Socialists

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corp of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and zionist treason.

The source advised on May 20, 1959, that the main activity of the organization since its inception has been the distribution of anti-Jewish material as well as material setting forth the program of the organization.

WORLD UNION OF FREE ENTERPRISE  
NATIONAL SOCIALIST

A source who has furnished reliable information in the past advised on November 30, 1959, that literature prepared by the World Union of Free Enterprise, National Socialist, was distributed in the Northwest Section of Washington, D.C., on Sunday, November 29, 1959. The leaflet carries the symbol of captioned group and the source as the "American Nazi Party." The leaflet contains large black lettering which states: "White man! are you going to be run out of your nation's capital ... without a fight?" The leaflet also contains a chart which states that in 1940 the population of Washington, D.C., was forty per cent negro; that in 1960, the population of Washington, D.C., will be sixty per cent negro; and that in 1980, the negro population will grow to over ninety per cent of the total population of the Washington, D.C., area.

The leaflet states that this problem is brought about by Jews. It states that "the negro ... is the innocent, ignorant VICTIM of the Jew-Communistic plot to disorganize and mongrelize all of us so we can be easily communized and conquered! "

The leaflet advocates the repatriation of the negro to Africa and urges that to help promote this program that people join the Nazi movement.

The source stated that besides members of captioned group, two youths from New York City were in Washington, D.C., and helped to distribute these leaflets. These two youths took one hundred copies of the leaflet to New York City for distribution in that area.

Attached to each copy of this memorandum is a description of captioned group.

Federal Bureau of Investigation

Sir,

Enclosed you will find the pamphlet that I referred to in our recent telephone conversation. I imagine that this must have been brought to some one's attention in your organization long before now, but just on the outside chance that no one thought it important enough, I am sending it along to you.

The kind of the conditions in Europe & the sudden outburst against the Jew & negro in this country I believe a thing like this should be investigated especially if it is true that a member of the organization is actually a member of our State Reserve.

I found this pamphlet in front of my house at 165-1893 St. in Brooklyn about a week ago.

## Navy Acts to Oust Nazi Reservist

WASHINGTON, Jan. 15 (AP)—The Navy disclosed today that steps had been taken to discharge George Lincoln Rockwell, self-styled Nazi, as a commander in the Naval Reserve.

Mr. Rockwell, who recently applied for a permit to open a headquarters for his American Nazi party in Arlington, Va., was a naval aviator in World War II and the Korean conflict.

The Navy said an official letter had been sent to Mr. Rockwell informing him that his "mobilization potential has been reduced to a point where he is of no further value to the Navy."

He was told that he had a month in which to appear before a special board in Washington or submit a written statement of his position. He has the alternative of resigning his commission.

- P -

DETAILS: AT WASHINGTON, D. C.

The World Union of Free Enterprise, National Socialists (WUFENS) is described in the appendix section of this report.

NAME

WF T-11 advised in December, 1959, that GEORGE LINCOLN ROCKWELL, organizer and head of captioned group, had changed the name of his organization to The American Nazi Party.

WFO 157-1

WF T-1 advised on January 11, 1960, that WUFENS was the original name of ROCKWELL's group to cover a world-wide movement. The portion of the organization in the United States would be called the American Party of the WUFENS. Recently, however, ROCKWELL has been placing the name, The American Nazi Party, on his literature and has been referring to his organization by that name.

#### HEADQUARTERS

WF T-1 has furnished information periodically reflecting that there has been no headquarters as such for the captioned group since he was evicted from his residence at 6512 Williamsburg Boulevard, Arlington, Virginia, last fall. The source advised on January 11, 1960, that a building had been purchased where the headquarters would be located and that the address was 928 North Randolph Street, Arlington, Virginia.

On January 12, 1960, [redacted] Fire Marshal, Arlington County, Virginia, advised that the premises at 928 North Randolph Street were inspected that day by Arlington County Inspectors. The premises were to be used as the political headquarters of The American Nazi Party. Marshal [redacted] stated that a large Nazi flag was hanging in the main room on the first floor and that there was considerable literature bearing swastikas and photographs of ROCKWELL on the premises.

b6  
b7c

The "Washington Post and Times Herald," Washington, D. C., newspaper, page A14 of the January 13, 1960, issue, carried an item headed "Nazi group plans office in Arlington." The article stated that ROCKWELL had applied for a permit to establish headquarters at 928 North Randolph Street, to establish a headquarters for The American Nazi Party of the WUFENS. It reported that ROCKWELL operated a similar headquarters last year from which he distributed anti-Jewish literature.

According to the article, Arlington County records show that the premises were purchased by FLOYD FLEMING of Washington, D. C., for \$21,500. ROCKWELL's application for a permit stated that the house had been leased by FLEMING to J. V. KENNETH MORGAN, whom ROCKWELL termed as deputy commander.

WFO 157-1

WF T-1 has advised that FLOYD FLEMING is an associate of ROCKWELL, who has cooperated in the preparation and distribution of anti-Jewish material.

### ACTIVITY

WF T-1 advised on December 2, 1959, that two boys named [redacted] from New York City, had stayed at the residence of FLOYD FLEMING, 905 Quincy Street, N.E., Washington, D. C., during the week-end of November 28, 1959. While in the area they met with ROCKWELL and distributed some of ROCKWELL's literature on November 28 and 29, 1959, in downtown Washington, D. C. The material distributed dealt with the sending of Negroes to Africa. [redacted] may be identical to [redacted] Brooklyn, New York, who, according to WF T-12, has made several statements in the past on the best methods for destroying Jews. [redacted] has also reportedly prepared a seven-page pamphlet attacking Jews and their concept of brotherhood.

b6  
b7C

On December 2, 1959, [redacted], President, District of Columbia Branch, National Association for the Advancement of Colored People, forwarded to the Federal Bureau of Investigation (FBI) copy of a leaflet headed "White Man! Are you going to be run out of your nation's capitol...without a fight?" JACKSON described this leaflet as tending to inflame and to incite to violence by pitting one group against another. He indicated that these leaflets had been distributed in both the Northwest section of Washington, D. C., and the downtown section.

b6  
b7C

On December 7, 1959, the Assistant Chief of Staff, G-2, Department of Army, forwarded to the FBI a copy of this leaflet which had appeared at Fort Myer, Virginia.

Between the period of December 4, 1959, and January 10, 1960, 15 individuals have telephoned the Washington Field Office of the FBI, advising that literature of The American Nazi Party was being distributed. In practically each instance the distribution was being made during the week-ends.

The literature distributed by captioned group during this period consisted of the following:

"Why is a Nazi?"

This leaflet carries the subheading "The story of GEORGE LINCOLN ROCKWELL and The American Nazi Party (WUFENS)" and describes ROCKWELL's background from his birth up to his current efforts to develop The American Nazi Party into a formidable group. It reports that he and his organization have been "ruthlessly" attacked by the Jews. It concludes that ROCKWELL expects to be laughed at, hated and ignored, but the leaflet carries the slogan "The Jews are through in '72."

"White Man! Are you going to be run out of your Nation's Capitol...without a fight?"

This leaflet carries a chart on the front which reports the population trends of Washington, D. C., as put out by National Research Associates. The chart shows that in 1940 the Negro consisted of 40% of the population of the District of Columbia and that at this current rate, the Negro population in the District of Columbia will consist of over 95% of the total population of the District by 1980.

The leaflet states in part as follows:

"...neighborhood has suddenly become BLACK, and the white kids are assaulted and used indecently by lusty savage blacks if they go out to play in their OWN streets..."; "The police are powerless to control the hands of brutal black criminals and hoods, because rotten political bosses know that a black vote is just as good as YOURS to put them in the public trough."; the leaflet states that "corrupt leaders" compete with each other "to take out lifetime memberships in the National Association for the Advancement of Colored People and entertain the royal cannibals who come over here at your expense from Africa and lunch at the White House."; "The African black, who was eating his kinfolds only two hundred years ago, hasn't changed much here in America"; "The president of this nasty society (NAACP) right NOW is ARTHUR SPINGARN, as ugly and repulsive looking a little New York Kike as you ever saw."; and "when they snarl, 'you are NAZIS, - we gleefully reply, 'You're damned right, and we will shortly give you Jew traitors the gas chamber, like the ROSENBERGS."

WFO 157-1

were being mailed to a number of places in the United States and foreign countries. [ ] recalled that some of the packages were going to Germany and Austria because ROCKWELL inquired of the postal clerk the amount of postage required for mailing the packages to those countries.

b6  
b7C

The "Washington Daily News" for January 12, 1960, on page three, contains an article headed "ROCKWELL Takes 'Moral' Blame for Swastikas." The article reports that ROCKWELL had opened new headquarters of the American Nazi Party in Arlington, Virginia, and that he announced he was accepting "full moral responsibility" for the world-wide outbreak of anti-Jewish crimes. He added that although he is morally responsible he was not directly responsible and that he traced the moral blame to the indirect effects of the preachings of his party.

##### World Union of Free Enterprise National Socialists.

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corp of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

RH 157-93

ROCKWELL on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and zionist treason.

The source advised on May 20, 1959, that the main activity of the organization since its inception has been the distribution of anti-Jewish material as well as material setting forth the program of the organization.

Also for all offices, JAMES K. WARNER is the National Secretary of the American Nazi Party.

ROCKWELL and WARNER now reside at 928 North Randolph Street, Arlington, Virginia, and utilize Box 1381, Arlington, Virginia, as their mailing address. ROCKWELL previously resided at 6512 Williamsburg Boulevard, Arlington, Virginia, and other places in the Virginia area adjacent to Washington, D. C.

FLOYD FLEMING is the President of the Seaboard White Citizens Council, a now defunct organization, and has been collaborating with ROCKWELL

Miss [redacted] advised that she is a member of the Ladies Auxiliary of the American Legion, and that since she is strongly against everything ROCKWELL stands for she feels that she has to do something to combat his movement. She told of how she drives by ROCKWELL's headquarters every day and on a couple of occasions has looked into the windows of the place at night to see what is going on. She has also tried to identify cars in the enclosed parking area in back of the headquarters.

Mr. [ ] was concerned about the unusual amount of publicity ROCKWELL is receiving. Since 2/2/60, Mr. [ ] stated local papers have carried the following number of items re ROCKWELL:

"The Washington Post and Times Herald"	10
"The Evening Star"	7
"The Washington Daily News"	1

b6

He was advised that the Agent could not comment on this because the selection of news stories is strictly the newspapers' responsibility.

Miss [ ] also wanted advice on how she could combat ROCKWELL and commented that everyone to whom she talks tells her to leave the matter to proper authorities. She was informed that the interest which prompted her to contact the FBI is appreciated and she was thanked for the information she made available. She was told, however, that the FBI could not counsel her regarding her desire to combat ROCKWELL. She asked whether the FBI would like to be informed of any future information she obtains about ROCKWELL and she was told that the FBI would appreciate being advised of any data indicating a violation of any law within the Bureau's jurisdiction or any data which she feels might be of interest.

Miss [redacted]

[redacted] Arlington, Virginia, advised on February 25, 1960, that she and [redacted], the store accountant, had obtained the following information concerning captioned group:

b6  
b7C

Drew Pearson in his February 2, 1960, column reported that this group had located its headquarters at 928 North Randolph Street, Arlington, Virginia. It gave the telephone number of the headquarters and added that George Lincoln Rockwell, commander of the group, was answering the telephone by saying "Nazi headquarters".

Miss [redacted] and Mr. [redacted] have been telephoning this number and talking to Rockwell and a James Warner. During these telephone conversations they have learned that Rockwell intends to organize a Negro section of his organization to be known as the "black shirts" or the "black hawks". Warner said that if anyone in New York was interested in the movement, they could get information from James Madole, 10 West Lafayette Street, New York City, whom Warner described as head of the National Renaissance Party.

b6  
b7C

Mr. [redacted] advised that a friend, whom [redacted] declined to identify, had told him that Madole is the front in the United States for the Reich Party of Argentina which is reportedly headed by a World War II Nazi pilot. This same friend also told [redacted] that Benjamin Friedman of New York, City and a Mr. [redacted] of Philadelphia, Pennsylvania, had recently visited Rockwell's headquarters.

b6  
b7C

Regarding captioned group, a source advised on February 27, 1960, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his

residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

The source advised in January, 1960, that the main activity of the organization since its inception has been the distribution of anti-Jewish material as well as material setting forth the program of the organization. Its headquarters are currently located at 828 North Randolph Street, Arlington, Virginia. James K. Warner is the secretary of the group.

The source stated that ROCKWELL closed the meeting with a "Seig Heil" which was returned by those in attendance. P.

Box 121, South Ozone Park Station, Jamaica 20, NY, to submit estimates on the cost of manufacturing a rubber stamp bearing the name of the organization, American Nationalist Society, which in its center would have a swastika.

NYO files reflect that the American National Socialist League aka American National Socialist Party was organized in 1/35 by a rebellious block of members of the NY Local of the Friends of New Germany, forerunner to the German-American Bund. This organization collapsed in 1936.

On 3/25/60, [redacted] advised SA [redacted] that he had no information concerning DAN BURLIOS, mentioned above, and that the American Nationalist Society is a name that

WILLIAM LAVARRE, former editor of "American Mercury" who furnished information to a Bureau representative at Washington, D.C. on 1/20/58, and with whom contact has not been sufficient to determine his reliability, advised that RUSSELL MAGUIRE was very anti-Semitic and described MAGUIRE as a refugee from the "crack-pot fringe".

Concerning [redacted], Levittown, NY, it is noted that [redacted] is subject of pending case in the NYO entitled "PARTY OF AMERICAN NATIONALISTS, [redacted] et al; RACIAL MATTERS" (Bufile 157-3-24; NY 157-47).

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party, and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D. C.

On April 21, 1958, a confidential source stated that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature from official Arab establishments in New York City.

The Un-American Activities Committee of the United States House of Representatives in a preliminary report dated December 17, 1954, stated, "National Renaissance Party activities and propaganda are clearly subversive and un-American."

# Chief of U. S. 'Nazis' Seeking to Hold July 4 Rally Here

By WILLIAM H. A. CARR

The "commander-in-chief" of the American Nazi Party applied for a permit to hold a rally in Union Square the Fourth of July.

If he's turned down, he'll ask the American Civil Liberties Union to take his request to court in order to get permission for the anti-Jewish, anti-Negro meeting.

"But one way or another, we're going to make a public speech as Nazis," Lincoln Rockwell of Arlington, Va., told The Post today. "There must be some place in New York City where you can speak without a permit."

## Attended Meeting Here

Rockwell said he spent a few days in New York a week ago visiting James Madole, the head of Yorkville's pro-fascist, anti-Jewish National Renaissance Party, and attending one of his meetings here.

"Many of his followers are also my followers," said Rockwell. "And so many of those lads in New York have been cut off in their rights of free speech, although a Nazi certainly has as much right to free speech as a Communist—or even more, because we don't advocate the overthrow of the government."

Rockwell said that at the rally he will not be in Nazi uniform—khaki shirt and trousers, Sam Browne belt, swastika armband—but his followers probably will be.

### "If We're Attacked..."

"I'm taking all the troops I can from all over the country with me to help," he said. "There won't be more than 20 or 30 with me from the Washington area, but there'll probably be a good many more from the South and the Midwest. But it's pretty hard to find people who will stand up as Nazis."

"We don't intend violence, of course. We never do. However, if we are attacked I intend to reply in kind, as we have the right to do. I've trained my boys not to be afraid of the Jews and we've whipped them every time."

Rockwell said that his speech will expose that "communism was and is Jewish and that the American constitutional republic has been usurped by Jewish democracy, manipulated by Jewish brainwashing on TV."

### Navy Ousts Him

Rockwell leaped into the limelight a year and a half ago, after a Jewish temple was bombed in Atlanta. In the home of one of the men arrested for the crime, police found a letter from Rockwell in which he referred to a "big blast." He later insisted to the FBI that he was referring to a planned picketing, not a bombing.

About four months ago the Navy, in which Rockwell served in World War II, discharged him from the Reserve because of his "civilian activities." Rockwell had held the rank of commander.

In February the ACLU defended one of his associates in a Washington case involving the distribution of Nazi propaganda. The civil liberties group maintained—and the court agreed—that Rockwell had a right to expound his ideas, "abhorrent and reprehensible" as they were. By chance, two Jewish attorneys were provided by the

### ACLU

In his letter to the Parks Dept. and the Police Dept. requesting a permit for the Independence Day rally, Rockwell acknowledged "the controversial nature of our political ideas," but said he and his followers "appreciate the fact that New York City is the very symbol of tolerance."

Captain [redacted], Special Investigations Squad, Metropolitan Police Department, Washington, D. Accompanying Rockwell during the picketing were three individuals identified as [redacted]. According to [redacted], the picketing was to let the public know that the "Reds and Jews" were behind the downing of the U-2 airplane over Russia. b6 b7C

Two of the picketers carried a large sign with the words American Nazi Party on a red background. Small American flags appeared on top of the sign. A placard reading "Ike, U-2 Was Sent Over by Reds and Jews of CIA" was also carried by one of the picketers.

[redacted] advised that an individual identified as [redacted], Great Neck, New York, voiced loud objections during the picketing to the sign stating that the Reds and Jews of the Central Intelligence Agency were responsible for the U-2 incident. ---

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D. C.

RACIAL MATTERS  
(OO:WFO)

ReNYairtel to the Director 5/6/60, advising that GEORGE LINCOLN ROCKWELL had made inquiry concerning the obtaining of a permit to speak at Union Square, NYC, on 7/4/60.

JASON R. SILVERMAN, D.C.-Maryland Director, Anti Defamation League, B'nai B'rith, advised on 6/2/60 that ROCKWELL referred to his intended 7/4/60 talk in NYC, during an open air talk in WDC on 5/29/60. ROCKWELL stated that he would have an important message to bring to the July 4th meeting which in his opinion would create an incident that would inevitably result in publicizing his anti-Communist stand and position because of the expected trouble from violence-seeking New York Jews.

The NY office is requested to furnish this info to the NY Police Dept. The NY office is also requested to maintain contact with police dept, sources, informants, and other available media, and advise WFO of the details of ROCKWELL's 7/4/60 visit to NYC.

For your info, ROCKWELL has been holding open air talks at Park Reservation on the Mall in WDC each weekend since the first of April, 1960. His talks are completely anti-Jewish. He speaks from a portable raised platform and is flanked by two of his troopers. These have usually

AMERICAN NAZI PARTY, aka  
RACIAL MATTERS  
(OO:WFO)

This communication is being marked "Changed" for the purpose of using the name American Nazi Party as the title of this case instead of the World Union of Free Enterprise National Socialists (WUFENS). When ROCKWELL organized captioned group in February, 1959, it was called the WUFENS; however, about six months ago, he began using the name American Nazi Party of the WUFENS. The American Nazi Party was added to the title at that time. Of late ROCKWELL, in his talks and through his literature, has simply been using the name American Nazi Party, and it is felt that this is the logical title to use.

Enclosed for the Bureau are eight copies of a letterhead memo concerning a rally to be held by captioned group in New York City on 7/4/60. Information copies are attached for the New York Office.

AMERICAN NAZI PARTY

*Handwritten:* (also on p. 2)  
[redacted], a member of the American Nazi Party, advised on June 13, 1960, that George Lincoln Rockwell and members of captioned group expect big things in New York City on the Fourth of July. Rockwell, organizer and commander of the American Nazi Party, has stated that the Fourth of July rally will be a Declaration of Independence against the Jews and that it will shorten by two years his drive to leadership of the United States. The motto of the American Nazi Party is "The Jews are Through in '72."

According to [redacted] the group plans on putting on a big demonstration and hopes to receive much publicity. They realize that the best way to obtain publicity is to antagonize enough Jews, who will be present, to incite them to violence. Then Rockwell and his followers will have an excuse to defend themselves.

It is noted that on June 6, 1960, the Bureau of Special Services, New York Police Department, advised that Rockwell had been granted Permit Number 167, allowing him to use Union Square in New York City on July 4, 1960, from 3:00 p.m. to 5:00 p.m. for the purpose of exercising his "constitutional rights to free speech privileges" in holding a meeting of the American Nazi Party on that date.

Regarding captioned group, a source who has furnished reliable information in the past advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26,

RE: AMERICAN NAZI PARTY

1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that Rockwell was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

Rockwell, on March 26, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 928 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D. C.

[redacted] advised that he is a student at George Washington University in Washington, D. C. and that he joined captioned group on June 10, 1960, for the purpose of obtaining information for a paper he is preparing in connection with graduate studies at the university.
